PATENT APPLICATION

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re the Application of:

HASHIMOTO et al

International Appln. No.: PCT/JP2004/000297

Filed: Concurrently herewith Attorney Dkt. No.: 65836.00005

For: METHOD FOR CROSSING FLOWERING PLANTS BASED ON THEIR PIGMENT GENOTYPES

INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450
Attention: PCT DO/EO/US

November 22, 2005

Sir:

This is an Information Disclosure Statement submitted under 37 C.F.R.1.97(b).

References AF-AH cited in the attached Form PTO-1449 were cited in the enclosed International Search Report issued by the Japanese Patent Office in connection with the above international application. It is understood that the Japanese Patent Office has sent a copy of each of the cited references to the U.S. Patent and Trademark Office. If this is not the case, please contact Applicants' representative at the telephone number listed below. Also cited in the attached PTO-1449 form are References AA-AE and AI-AW. The relevance of the non-English language reference(s) AA-AE and AI-AW is discussed in the present specification.

In view of the above, all requirements of 37 CFR 1.97 and all official guidelines pertaining to Information Disclosure Statements have been complied with, and it is therefore respectfully requested that the Examiner consider the references and make them of record in this application.

In the event that there are any fees due with respect to the filing of this paper, please charge Counsel's Deposit Account No. 50-2222.

Respectfully submitted,

Douglas H. Goldhush
Registration No. 33,125
